For: Nanoparticles Having Oligonucleotides) Confirmation No.: 9813
Attached Thereto and Uses Therefor)

LETTER

Mail Stop SEQUENCE LISTING
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Decision on Petition dated April 14, 2004 had indicated that the computer readable form that was sent in a response dated December 20, 2001 to a Notice to Comply dated October 31, 2001 was damaged. A substitute copy of the computer readable form and paper copy is attached. The information contained in the attached computer readable form and paper copy is identical. In addition, the information in the attached computer readable form and paper copy is the same as the ones submitted in the December 20, 2001 response except that the information section of SEQ ID NO.57 has been corrected to comply with the sequence rules. No new matter has been introduced into this application as a result of the present submission.

Prompt consideration and entry of this Letter and attachments is respectfully requested.

Date: May 11, 2004

Respectfully submitted,

Emily Miao
Registration No. 35,285
